

Login & Dashboard in Moodle

Login & Resetting Your Password

You will receive your personal access data from your respective course management.

Login: <https://moodle.donau-uni.ac.at>

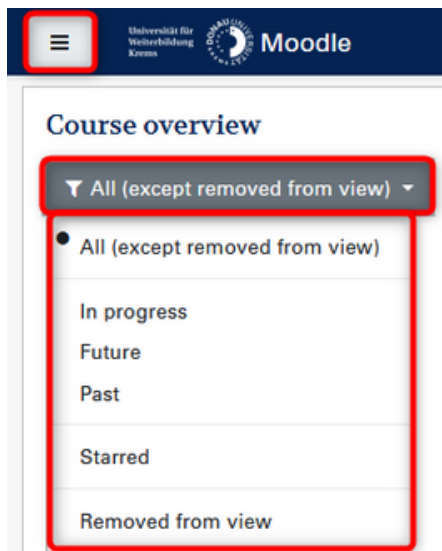

- Password forgotten: Just right beside the login-mask you find the button for resetting your password. Pressing the button prompts instructions on how to reset your password.
- Notice: After 5 unsuccessful login attempts, your account will be temporarily blocked. You will receive a link for further steps via mail by UWK-TechSupport.

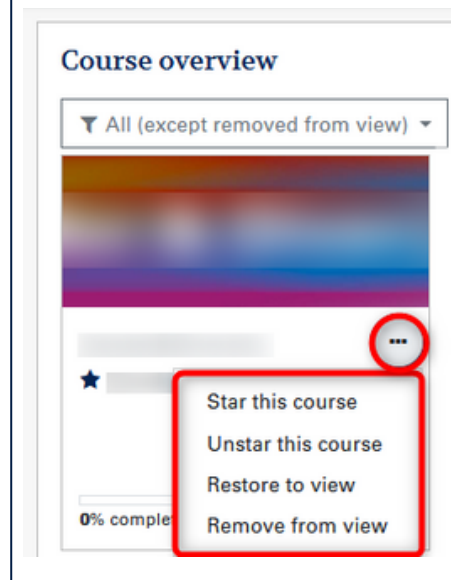

Your Dashboard

There are several settings you can use to customise your dashboard according to your needs:

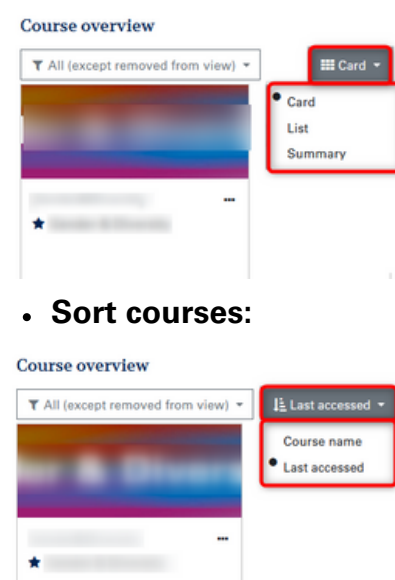

• Apply filters:

• Define favorite courses:

• Change course view:

• Sort courses:

Your Profile

By costumising your profile information, you can introduce yourself:
