

# Navigation in Moodle

## Your Moodle Course Space

Your Moodle course space is your digital learning space and provides following features:

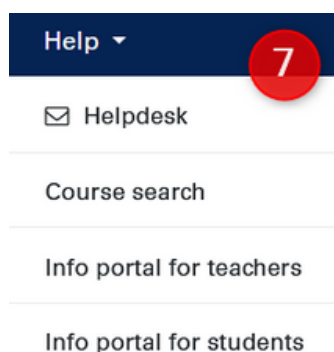

- Content, exercises and resources all in one place
- Communication with teachers & peers
- Feedback & grades directly available in Moodle
- temporal and spatial flexibility

The screenshot shows a Moodle course page for 'Testkurs' at the 'Universität für Weiterbildung Krems'. The page is annotated with 13 red circles containing numbers 1 through 13, pointing to various navigation and content elements:

- 1: Dashboard button in the left sidebar
- 2: Participants button in the left sidebar
- 3: Grades button in the left sidebar
- 4: Download center button in the left sidebar
- 5: Course sections list in the left sidebar
- 6: Calendar button in the left sidebar
- 7: Help menu in the top navigation bar
- 8: Language settings (English) in the top navigation bar
- 9: Search icon in the top navigation bar
- 10: Notifications icon in the top navigation bar
- 11: Personal settings icon in the top navigation bar
- 12: Main course content area including 'Willkommen!' and 'Vorpräsenzphase' blocks
- 13: Latest announcements and calendar blocks on the right side

1. Back to the Dashboard
2. Course participants overview
3. Gradebook
4. Downloadable resources
5. Course sections
6. Course calendar
7. Help-Centre
8. Language settings (German/English)
9. Search
10. Notifications
  - System notifications
  - Messages
11. Personal settings
12. Course content, clustered in sections
13. Blocks with additional information
